

School Support Services

A Driving Force for Student Success

Providing assistance for Military Families for K-12, on and off post:

- **Transition Support**
- **Deployment Support**
- **Command, School, and Community Communication**
- **Home School Linkages**
- **Partnerships in Education / Adopt-A-School**

A School Liaison Officer (SLO) is a parent's best support in the area of K-12 education and schools. SLOs work in partnership with local public school districts and home school Families to enhance the educational experience for students. SLOs provide education, support, and an array of resources that impact youth education and experiences.
