**PRINCIPAL PURPOSE(S):** Information will be used by DoD personnel to evaluate and document the special education needs of family members. This information will enable: (1) Military assignment personnel to match the special education needs of family members against the availability of educational services, and (2) Civilian personnel officers to advise civilian employees about the availability of education services to meet the special education needs of their family members. The personally identifiable information collected on this form is covered by a number of system of records notices pertaining to Official Military Personnel Files, Exceptional Family Member or Special Needs files, Civilian Personnel Files, and DoD Education Activity files. The SORNs may be found at <http://dpclo.defense.gov/Privacy/SORNsIndex/DODComponentNotices.aspx>.

**ROUTINE USE(S):** DoD Blanket Routine Uses 1, 4, 6, 8, 9, 12, and 15 found at <http://dpclo.defense.gov/Privacy/SORNsIndex/BlanketRoutineUses.aspx> may apply.

**DISCLOSURE:** Voluntary for civilian employees and applicants for civilian employment; however, the information must be provided if you intend to enroll your child with special education needs in a school funded by the Department of Defense or a school in which DoD is responsible for paying the tuition for a space-required family member. Mandatory for military personnel. Failure or refusal to provide the information or providing false information may result in administrative sanctions or punishment under either Article 92 (dereliction of duty) or Article 107 (false official statement), Uniform Code of Military Justice. The Social Security Number of the sponsor (and sponsor's spouse if dual military) allows the DoD Education Activity and Service personnel offices to work together to ensure any special education needs of your dependent can be met at your next duty assignment. Dependent special education needs are annotated in the official military personnel files which are retrieved by name and Social Security Number.
