School Liaison Officers support transitioning students through direct contact with parents and through facilitation of training school personnel in understanding the impact of transition and deployment stress on military students.

Ruth Ploeger
School Liaison Officer
Transition Support Specialist
U.S. Army IMCOM Europe G9
DSN: 544-9375
CIV: +49 (0) 611-143-544-9375

School Liaison Officers assure Families that children's academic well-being is an Army priority.

SCHOOL LIAISON OFFICER

**A Driving Force
for Student Success!**

ARMY SCHOOL LIAISON OFFICERS (SLOs) have strong educational backgrounds and are knowledgeable about school-related issues on the installation and in the local school district.

- Serve as the primary advisor to the Commander on matters relating to schools and school support services
- Build relationships and facilitate communication among the Command, Army Families, and the local school community
- Coordinate School Support Services at the installation
- Inform and assist parents with school transition and deployment challenges
- Establish school and community partnerships
- Facilitate access to homeschool resources for parents
- Provide information about college and other post-secondary opportunities and preparation materials

Army School Liaison Officers on the web

Find your School Liaison Officer's (SLO's) School Support Services web page on

europe.armymwr.com/slo

You can also access the SLO web pages directly through links on garrison websites.

You will find a wealth of information to support dependent education and school transitions as well as phone and email contact information for the SLO.

Information, assistance, & referral is available to you whether your child will be attending a DoDEA School, and private school, or homeschooling. Your SLO is available to help you navigate transition and education concerns for your child.

YOUTH SPONSORS for incoming students can easily be requested through an online application found on the SLO webpage for your installation.
